### RECRUIT NATION ELITE COMBINE TO BE HELD

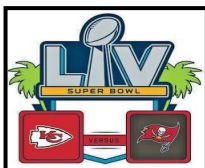

Lakewood High School will be the site for the Central Ohio Recruit Nation Elite Showcase on **May 22nd**! The showcase will also provide a fundraiser opportunity for the football program and Lakewood Athletic Boosters!

The Showcase is offered to allow all athletes to showcase their skills and talents. By attending a Recruit Nation Elite Showcase, athletes are able to ascend in the player ratings, building their regional and national profile. And finally, Recruit Nation works with the top recruiting service, Dream Scouting Network, which includes recruiting coordination, building exposure, and college connections. Recruit Nation has 150+ scouts that are dedicated to deliver to the public, full coverage of prospects throughout the country.

The Recruit Nation Showcase Series provides players with the ability to be evaluated by college coaches while at the same time being professionally filmed. These are extensive skills and drills showcases. Players will execute all of the individual skills that are featured at college prospect days. Additionally, scouts from the Dream Scouting Network will be on hand to evaluate each player. They will also send your recruiting information to each college program in your region. The colleges will receive the player's "Athlete Spotlight" (demographics, academic profile, stats, and film). There will also be a **Recruit Nation Junior** run after the high school event.

The Recruit Nation Elite Showcase Series provides players with the ability to be evaluated by the Dream All-American Bowl committee & college coaches. These are extensive skills and drills showcases. The top performers will receive an invite to participate in the Path To Regionals, an elite 2-Day summer regional showcase. Players will also be considered for the 2022 Dream All-American Bowl! Additionally, each player will be entered into the Dream Scouting Network National Database. Dream Scouting Network will send each athlete's recruiting information to regional college programs.

## **PRESIDENTS WHO PLAYED FOOTBALL**

With the Presidents Day Holiday occurring in the month of February, we thought we would take a look at those Presidents who not only led our country but also played football. Here are the six presidents that did both!

**Donald Trump (New York Military Academy):** Trump was a three sport athlete at New York Military Academy and played on the football team for one year.

**John F. Kennedy (Harvard):** Kennedy wasn't the only member of his family to play football at Harvard, as both Robert and Edward Kennedy did as well. Unlike his brothers, though, John never really played. In fact, JFK never made it past the JV thanks to illness and injuries.

**Richard Nixon (Whittier College):** Like Kennedy, Nixon never really played at Whittier College in California, but at least he was on the team. He just served as a reserve tackle. Now, think about that for a moment. I know Whittier isn't exactly an SEC school, but Richard Nixon, who was 5-foot-11 and weighed 175 pounds, played tackle. Most kickers are bigger than that nowadays.

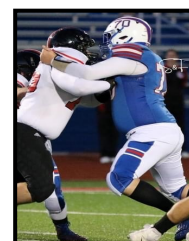

**Ronald Reagan (Eureka College):** Reagan played at tiny Eureka College in Illinois, but he wasn't exactly a revelation on the field.

He was a lineman at Eureka College in Illinois, but his more well-known football connection is for portraying Notre Dame football great George Gipp in the 1940 film Knute Rockne, All American, Without him, how would we have known to win one for the Gipper?

**Dwight D. Eisenhower (Army):** Before he went on to his military career, and then the Presidency, Ike served as both a running back and linebacker at Army, starting on both sides of the ball. He also tackled Jim Thorpe once, which is a greater football accomplishment than any of the first three Presidents on this list can even dream of.

**Gerald Ford (Michigan):** Not only did Ford play at Michigan, but was a team MVP with the Wolverines after being named all-state in high school. He also had offers to go pro following college, but instead chose to coach at Yale while attending law school there. Then he ended up as President, which probably doesn't happen if he signs with the Green Bay Packers instead Gerald Ford was all-state at South High School in Grand Rapids, MI, and went on to become an MVP for the University of Michigan (even playing against the Chicago Bears as a member of the 1935 collegiate all-star team).

## **VIERSTRA / FORD SELECTED FOR ALL-STAR**

Seniors **Colt Vierstra & Trace Ford** have been selected to play in this year's Licking vs. Muskingum County All -Star Game! Vierstra & Ford were both three year starters & received numerous honors for the Lancers during their careers. They game is slated for **June 19th** at **Heath High School**.

## 2021 SCHEDULE FINALIZED/SCRIMMAGE ADDED

**Bexley-Week 4**

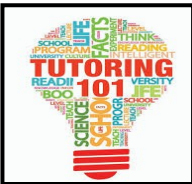

**Newark-Scrimmage #1**

The 2021 Schedule is now complete as the Lancers filled their needed week 4 opponent. Lakewood will travel to **Bexley on September 10th**, to take on the Lions from the Mid State Ohio Conference. Bexley a Division IV opponent finished 2-6 last season, with victories over Grandview Heights (27-0) and KIPP Columbus (21-20).

Lakewood also scheduled their first scrimmage on August 7th, when they will travel to Whites Field to take on **Division I Newark**. The scrimmage on Saturday is scheduled to begin at 10:00 a.m. Lakewood is still looking to fill their 2nd scrimmage for Friday, August 13th.

## Tutoring Program Benefits Lancer Players

Lancer Student Athletes who want to participate in after-school

workouts must make sure their academics are taken care of first.

The Lakewood After School Lancer Homework Lab offers students academic support and tutoring from teachers.

twice a week on **Tuesday** and **Thursday** from **2:20 until 3:30**.

Members of the football team who may be struggling with a course or is failing a course must report to the Lab before attending workouts.

Players who attend the Lab must bring their **"Golden Ticket Slip"** to

workouts to show coaches what they completed during their time in the lab, verified with the teachers initials.

Players who attend the Lab can participate in the remaining 45 minutes of the workouts and receive full attendance credit for the for that day.
